# Domaine De Grauzan | IGP Pays d'Oc Chardonnay France (STREEKWIJN/IGP) – 2024

## Domain

### Dom. De Grauzan

It is the passion for wine, discovered on the estate of his family in the early 90s, who convinced Alexander Krossa to create a company dedicated to viticulture in the Languedocienne. As a true pioneer and visionary, he combines technical and business skills at the service of winemakers. His philosophy: professionalization of the relationship with customers in export, control of technical processes, selection and connection with its partners.

## Vinification

The chardonnay grapes grow on a clay-lime soil. They are picked when they have matured nicely and are immediately pressed onto the domain. The must and juice are cold stabilized to remove impurities (débouillage). At a temperature between 16 and 20 ° C, the juice fermented in concrete cuves for 20 days. After this the wine ripens on its fine yeast residues. Before bottling, the wine is clarified and filtered

## Taste

This clear lemon-yellow wine has aromas of white fruit and yellow blossoms, with a hint of honey. In the mouth the wine is nicely balanced: lush in taste, slightly creamy mouthfeel and a pleasant freshness.

## Food pairing
