Ramon Do Casar – Varietal – Blanco | Ribeiro DO (Galicië) Spain – 2025

Vinification

The alcoholic fermentation takes place with a constant temperature control. After fermentation, they keep the wine on its lees so that a greater aromatic complexity is preserved.

Taste

This is a clear wine with a straw yellow color and some green hues. In the nose we find powerful and elegant aromas of green apple, lime, pineapple and peach. Very pleasant pallet with some honey notes, nicely balanced with sufficient freshness for a long, fruity final.
